Risk & Compliance Italy is part of the R&C Platform Europe group. We have been active since 2018 and have a community of managers, senior management and **professionals** who deal with **Risk Management, Compliance, Internal Audit, Governance and Legal** in the following sectors: banking, finance, Public Administration and business services.

Professionals are confronted with an increasingly complex financial world, identified by the increase in risks and the related **regulations** issued by multiple actors: government agencies, supervisory authorities, entities at Local, European and international level.
